

PARENTS OF PRESCHOOLERS: CHILD-SAFE GREEN LIVING AND CLEANING

Tuesday, April 27, 6:00 – 7: 15 p.m.

Many chemicals that appear in baby products and in cleaning products can harm your child and the environment. Learn how to make your own personal care and household cleaning products that are free of these chemicals, and find out how to avoid these chemicals in products you buy.

Come to this hands-on workshop and have fun learning about how to keep your child and home free from chemicals of concern. Participants will make and take home a safe and effective household cleaner.

Age: 13 years and older. \$10 Material Fee payable directly to instructor.

Workshop will be held in the Beaver Brook room at the **Golden Community Center**.

To register: Visit <https://www.goldenrec.com/golden/> or call 303-384-8100. Course code number is **27045**.
