

Floyd Boyard
Denver, Colorado

Floyd Boyard is a retired Manager of the Analytical Chemistry Department for Marathon Oil Company's Denver Research Center. He was an employee for 32 years. His duties included analytical measurements at Marathon's Research Center for the Exploration, Production, Refining, and Transportation groups. He was also responsible for evaluating commercial laboratories used by Marathon Oil. He taught classes in the handling of hazardous materials.

He has a Bachelor of Science Degree from Xavier University of New Orleans and a Bachelor of Arts in African-American Studies from Metropolitan College in Denver.

He was on the Board of Directors for the Colorado Energy Science Center and Colorado MESA, non-profits in the Denver area. Mr. Boyard has been and continues to be very active in his community, contributing time and skills to many youth- and environmentally-oriented non-profit organizations.
