LEADERSHIP EXPERIENCE

Boulder, CO **New Era Colorado** September 2014-April 2015
Fall and Spring Intern
– During the legislative session, represented young people and their interests through committee hearing testimonies, launching the student debt reform campaign, writing letters to the editor, and recruiting and mentoring volunteers
– During the election, assisted in registering voters; educating young people on the issues; and getting out the vote through canvassing, phonebanks (VAN), and direct interactions
Boulder, CO **Indigo Children, Inc.** April 2014-September 2014
Social Media, Advertising, Marketing, and Public Relations Intern
– Responsible for working with socially- and environmentally-sustainable start-ups to promote their services, products, and missions through ad campaigns and other marketing techniques
– Included the development and execution of digital and real world campaigns; community outreach through newsletters and events; assisting in grant writing; maintaining membership, clientele, and merchandise; and working alongside the CEO of ICI, ICI members, prospective clients, and other interns
Boulder, CO **Growing Gardens** Summer 2014
Environmental Education Instructor
– Responsible for assisting in the success of the urban agricultural projects, specifically the Children's Peace Garden Program and the Cultiva Youth Project, as an educator, mentor, and field-hand
– Included creating and implementing a learning plan; teaching classroom and on-site sessions (field trips and summer camps); mentoring the Cultiva youth; training volunteers; and participating in fieldwork, harvesting, and maintenance of the property
