## EXPERIENCE

### - ACTIVE MEMBER OF THE COLORADO BAR, ADMITTED 2003 -

#### **Litigation and Environmental Associate**

Sept. 2005 – present

Hogan Lovells LLP (formerly Hogan & Hartson LLP), Denver

Litigate complex environmental, natural-resources, land-use, health-care fraud and other commercial and regulatory matters for corporate and individual clients. Try cases in federal and state trial and appellate courts. Provide regulatory advice. Make strategic and tactical decisions, counsel clients, and negotiate settlements. Conduct research and discovery. Draft memos, motions, and briefs. Manage junior and mid-level associates and staff.

#### **Federal Law Clerk**

June 2002 – June 2005

Chief Judge Lewis T. Babcock

United States District Court for the District of Colorado

Read and analyzed the pleadings and motions in criminal and civil cases, researched the law, applied the facts, and drafted opinions for the Judge's revisions and signature. Conferenced with the Judge, attended hearings and bench trials, and drafted resulting orders and jury instructions. Earned "Secret"-level F.B.I. security clearance.

#### **Legal Intern**

Spring 2001

United States Department of Justice

Environment and Natural Resources Division, Denver

Researched natural resources-related legal issues for trial attorneys. Drafted memos with implications for trial and settlement.

#### **Legal Intern**

2000 – 2001

Earthjustice, Denver

Researched discrete legal problems and drafted memos concerning environmental and natural-resources issues with emphasis on public lands, federalism, and settlement.

#### **Journalist (Intern and Freelance)**

May 2000 – May 2002

Boulder Daily Camera, Boulder, CO

Initiated, researched, and wrote stories about science and the environment for Boulder's primary newspaper. Specialized in major feature articles and profiles for the Discover section.

#### **Professional Research Assistant**

Sept. 1995 – May 1999

Institute for Arctic and Alpine Research

University of Colorado at Boulder

Developed high-quality maps, web resources, scientific graphics and papers used by the scientific, land-use planning, and Native American and Canadian communities to understand and mitigate effects of land use and climate on plant ecosystems and natural resources. Managed three assistants and ten-person laboratory, created graphics for grant applications and scientific publications, and conducted plant-ecology fieldwork.

**Science Intern**

1990 – 1994

United States Fish & Wildlife Service Great Lakes Laboratory  
Ann Arbor, Michigan

Compiled bathymetry data for use in Lake Michigan lake trout habitat assessment.  
Characterized and assembled data for use in contour maps and Geographic Information System maps. Assisted scientists with research regarding zebra mussel invasion of the lake.

**EDUCATION*****Juris Doctor* University of Denver College of Law, 2002**

Order of St. Ives (sixth in class).

Dean's List: 1999 – 2002.

Law Review Staff Editor: Aug. 2000 – April 2001.

Torts Teaching Assistant: Fall 2000.

Highest grade (Amjur) in alternative dispute resolution, environmental law, administrative law.

***Bachelor of Science* Univ. Michigan School of Natural Resources and the Environment, 1994**

With distinction; specialized in environmental science and policy.

***Bachelor of General Studies* Univ. Michigan School of Literature, Science and the Arts, 1994****PUBLICATIONS****Law Review Article**

Andrew C. Lillie, Barriers to Successful Environmental and Natural Resources Litigation: Tenth Circuit Approaches to Standing and Agency Discretion, University of Denver Law Review, Vol. 78, No. 2, 2000, p. 193.

**Newspaper Articles**

Over twenty stories published in the Boulder Daily Camera: profiles, city stories, and features.

**PRESENTATIONS****“What to Expect When Litigation Ensues,” May 2010**

Internal Hogan Lovells presentation to Corporate and Mergers & Acquisitions Group.

**“Earth, Humans, and the Law,” May 2010**

Lecture for University of Denver Environmental Policy class.

**INTERESTS**

Accomplished jazz, funk, and rock drummer. Experienced nature/urban photographer. Inspired by wild-trout fishing, exhausting hikes, cooking and baking, ornithology, intense tennis matches, distance running, and road biking. Enjoy studying human relationships, people and nature, aviation, American wars, American history and public policy, and environmental issues. More than anything, enjoy time with my wife, daughters, dog, extended family, and friends.
